*Wine Enthusiast Magazine, March 2012*

“Oak brings strong buttered toast and vanilla flavors to this Chardonnay. But it’s also a powerhouse from the vineyard, with massive orange, pineapple and apricot flavors. May even have some botrytis, to judge from the honeyed sweetness. Yet for all the opulence, the finish is dry.”

*California Grapevine, June 2012*

“Medium-light golden yellow; attractive, nutty, baked apple and tropical fruit aroma; medium-full body; fleshy, rich, apple and melon flavors with a slightly creamy mouth-feel; lingering aftertaste. Highly recommended.”
