“The 2010 Cabernet Sauvignon Special Selection is big, rich, voluptuous and **totally sexy**. Mocha, chocolate, plums, sweet spices and black cherries jump from the glass in this full-bodied, intense wine...Once again Caymus has produced a gorgeous Special Selection.”

Vines Magazine, December/January 2013

“Chuck Wagner likes his wines full-bodied and loaded with fruit, and that’s exactly what you’ll find in his premium Cabernet. Caymus Special Selection Cab remains a Napa Valley icon for good reason. Plush cassis and black raspberry notes jump out of the glass and are layered with spice cake, vanilla, licorice and chocolate. Concentrated flavours of plump, juicy dark berries, baking spice and sarsaparilla linger long after you swallow. It’s an exceedingly satisfying and supple wine with sweet ripe tannins. This is an impressive special occasion or gift wine.”

Special Selection is the only wine in the world to have twice been named Wine Spectator Magazine’s “Wine of the Year”
